DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The reply filed on November 15, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): in the Response of November 15, 2004, the Applicant has presented an amended claim set purporting to represent an amended set of claims pending in the application. However, the amended claim set does not accurately reflect the claim language as amended in the preliminary amendment filed with the application. Because the claims were previously amended in the preliminary amendment, and because the current claim listing does not accurately represent the changes that have been made between the claims previously under consideration (the claims of the preliminary amendment) and the claims as currently amended by the Applicant, the claims do not "indicate the changes that have been made relative to the immediate prior version of the claims" as required by 37 CFR 1.121(c)(3). See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Zachariah Lucas whose telephone number is 571-272-0905. The examiner can normally be reached on Monday-Friday, 8 am to 4:30 pm. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Housel can be reached on 571-272-0902. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
